Dear Parents:

Welcome to another exciting year of Kindred Viking athletics! At Kindred High School & Kindred Elementary School our students are given the opportunity to complement their academic ventures with athletic experiences that can create wonderful memories, build character, and create lifelong friendships.

The Booster Club is dedicated to supporting and promoting student interests in athletics through volunteerism and financial support. Joining the Booster Club and volunteering at school events are great ways to support our students, meet other parents, and get involved in Viking Nation!

Our Mission

Support, Encourage, and Advance Athletics at KHS and empower student athletes to develop life-skills through participation, teamwork, fundraising, & community building.

NEW for this school year will be "online" sign up for volunteering for the concession stands. Look for more information soon! Only parents of High School athletes are required to work one night of concessions some time during the school year but others are always welcome. (It's actually kind of fun!)

We need your support! Show your Viking Pride by becoming a Booster Club member. Please drop off your 2016-17 membership form during school registration at the Booster Club Store and check out the great Viking Wear and other fun items that are available.

SAVE THE DATE!! The 10th Annual Viking Pride Dinner & Auction will be on **March 11, 2017.**

Where have our Viking Pride dollars gone over the past few years?

- \$105,000 towards the new concession building at the football field/baseball field/track complex, a new scoreboard for the football field and new bleachers in the elementary school north gym
