**MISSION | to inspire an appreciation for the arts by
facilitating and supporting arts opportunities**

Building *human connections* through the arts strengthens our community in ways that words alone often fail to do. Music, drama, dance and art have the power to cross language, cultural and socioeconomic boundaries to bring us to a greater understanding of one another, engage in new experiences or see something from a different point of view.

KAAP was founded in 2016 to visibly *promote* and *support* multiple artistic endeavors right here in the Kindred community. By supporting KAAP, you are supporting educational scholarships and competition opportunities for youth in art, music, drama, dance and speech. You are also helping showcase our local artists of all ages through exhibitions and promoting art classes, art events and music events.

The Kindred Area Arts Partnership is fiscally sponsored by The Arts Partnership, a 501(c) nonprofit and your contribution is fully tax-deductible.
