

Dear Parents/Guardians,

As part of Kindred Public School's ongoing technology improvements, we use Schoology in grades 5-12. Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond.

With Schoology, students can submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, and write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

Both you and your child will be given login credentials to access our Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at [Schoology Privacy Policy](#). Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

If you have questions or feedback regarding Schoology, please contact [Kent.Packer@k12.nd.us](mailto:Kent.Packer@k12.nd.us), [High School Principal](#) or [Mrs. Kochmann, Elementary Principal](#)

Sincerely,  
Nancy Kochmann, Elementary Principal  
Kent Packer, High School Principal
