Melanie Moffet, Business Mgr.

Dear Kindergarten Parent(s):

There will be a preregistration and screening for all incoming 2020-2021 Kindred School District kindergarten students at Kindred Elementary School on **Wednesday, March 4th** and **Thursday, March 5th** from **8:30 AM to 12:00 noon** and from **1:00 to 3:30 PM**.

To be eligible to enter kindergarten this fall, a child must be five years old on or before July 31, 2020.

Each incoming student will be scheduled for a 30-minute session on one of the two dates. **Please call the school before February 28<sup>th</sup> to schedule your child's session.** This is a wonderful opportunity for you and your child to visit our school during the school day. It also serves to inform our planning for the 2020-2021 school year.

We have included forms to be completed and returned on or before pre-registration. Additional registration materials and informational brochures will be available during your visit.

North Dakota law 23-07-17.1 requires immunizations before admission to school. Please have your doctor or clinic print a copy of your child's immunization record for the school. You can bring it to Back to School Night, the first day of school in the fall or you can upload it once we have our registration open. We also recommend that your child have a complete physical prior to starting kindergarten.

If you are unable to attend either screening date or have decided not to enroll your child in kindergarten for the 2020-21 school year, please call and let us know.

If you have any questions regarding this information, please contact Paula Myers at the school office. (701-428-3388)

Sincerely,

Nancy Kochmann  
Kindred Elementary Principal
